Hurry and Worry

Hurry, like a cyclone, whirls you along at a rate that quickly exhausts your energy, and leaves you a nervous, wretched, broken-down physical wreck.

Worry accomplishes the same results in another way. It drags you through the dark, gloomy tunnel of forbodings, wrecks your nerves and breaks down the constitution.

Then don't hurry; don't worry. But you will; and your nervous, exhausted condition brings headaches, neuralgia, heart, stomach, liver and kidney troubles. The thing to do is: Strengthen the nerves with Dr. Miles' Nerve.

"Six months I was bedfast with nervous prostration. I had sinking spells, a cold, clammy feeling, could stand the slightest noise. At times I would almost fly to pieces; stomach very weak. My husband insisted on my taking Dr. Miles' Nerve, and I began to improve before I had finished the first bottle and today I am entirely cured."

MRS. JOSEPH SNYDER,
224 Hudson St., Tiffin, O.

Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

ABOUT THE STATE.

Among the bequests of the late Earn B. Eddy, who died in Montreal during the winter, is \$100 for the care of the Bristol cemetery, where Mr. Eddy was buried.

Samuel Austin Wright, aged 88 years, died last Sunday at the home of his nephew, George S. Wright, of Weybridge, of a general debility, caused by old age. Mr. Wright leaves no family except one brother, Loyal L. Wright, of Middlebury, who is hale and hearty at 94.

Barre's city water reservoir at Mendon is to have a thorough cleaning out, the board of aldermen having appropriated \$200 for the work. The reservoir has not been cleaned for nine years and it is thought that there is considerable soil and vegetation in the bottom which should be removed.

Zeanado Wheeler, a man of 70 years of age who resides in Hardwick has, as pasture, hunted foxes the past winter. During the season he bagged 28, the number of which brought him \$3.30 each. Mr. Wheeler has also destroyed the foxes in the past, given by his age, that he is old by carrying on a sugar place of 3,500 trees with his other work.

DEGREE FOR THE KING.

Philadelphia, Pa., April 20.—The University of Pennsylvania yesterday participated in the Franklin bicentennial, with exercises at the Academy of Music. VETOED BY GOVERNOR.

Higgins Refuses to Indorse the Dowling Mortgage Tax Bill.

Albany, N. Y., April 20.—Governor Higgins yesterday vetoed the Dowling mortgage tax bill, which would substitute a recording tax, payable once for all, for the annual tax imposed by the present law.

In a 1,700-word message accompanying the return of the vetoed tax bill, Governor Higgins indicates, but does not definitely promise, that he might approve it if it should be returned to him amended in some particular.

Free to Farmers.

To any farmer who will write us, mentioning this paper, we will send free, postpaid, several formulas for making a first-class fertilizer at home, together with the cost of the ingredients, directions for mixing, etc.

The Vermont Experiment Station in its bulletin No. 116 has the following to say with reference to the value of home-made fertilizers as compared with the ordinary commercial brands: "On every account, however—financial, educational, agricultural—it is better to buy the crude stock and home mix if one uses a ton or more."

Every up-to-date farmer should be interested in the subject of home-mixed fertilizers and we are in position to help them. Address: Carroll S. Page, Hyde Park, Vt.

Fertilizer for the Garden.

It is generally conceded that there is no better all-around fertilizer for use in the garden than pure raw ground bone.

The kind we make is a by-product in the manufacture of Page's Perfected Poultry Food and is guaranteed to be free from adulterations of all kinds and contains all the natural ingredients of the bone.

We sell it for \$3.25 per barrel of 200 pounds, freight paid to your station. Sent us \$3.25 in check, postal money order or registered letter, and a barrel will be shipped you promptly.

We can also furnish you with formulas for mixing the ground-bone into a complete fertilizer and shall be pleased to do so if you will write us mentioning this paper. Address: Carroll S. Page, Hyde Park, Vt.

ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

George H. Richmond has been reappointed postmaster of Northfield for his third term.

The assessors of Rutland expect to have at least 3,500 polls in that city when the list is completed.

Henry W. Brewster of Middlebury is to erect a two-story brick addition to the Brewster Inn at Bennington, the work being already started.

The city of Rutland has appropriated \$2,500 to start the work of enlarging the water mains and hydrants about the city according to the recommendations of the fire committee.

E. M. Gates, representing G. H. Grimm and Company of Rutland as a travelling salesman, died in Malone, N. Y., Tuesday of pneumonia. He is well known in this state and in New York.

During the past week over \$1,000 has been pledged by Bennington people toward the erection of a new Methodist church. This makes a total of \$12,000, so work will be begun at once.

The travelling on the roads around Milton is much worse this spring than usual. One road is completely blocked by a slide which carried out several carloads of dirt from the road bed.

W. W. Palmer of Fairlee was recently badly burned by falling through some plankwork over the boiler of the engine which he runs and striking his head and shoulders so hard as to stun him for a few moments. When he regained consciousness his face and shoulders were badly burned. He was taken to the Mary Hitchcock hospital at Hanover for care.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain as long as possible one youthful appearance.

It is impossible to do this without retaining a luxurious growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ, which lives and thrives on the roots of the hair until it causes total baldness.

Newbro's Herpicide is the only known destroyer of this pest, and
